

IMPORTANT CHANGES PLEASE READ:

As the children return to school we are changing a few of our procedures to adhere to Provincially mandated COVID –19 protocols

Beginning June 1, all doors will remain locked to the school and daycare.

- Access to the daycare will be by the doorbell to the left of our door.
- Parents will sign their children in/out at this location and we will assist the children to their respective program.
- At the end of the day—we will bring the child to you—at the door. If you would like us to have your child(ren) dressed and ready upon your arrival please call **250-563-8827**

We must re-enforce our policy about no home toys. Personal items will be bagged and available for you to take home at the end of the day.

Please ensure that you do not send your child if he/she is experiencing illness or:

- Knowingly been in contact with someone who is a confirmed case of Covid-19.
- If anyone in the household has come in contact with someone who has a confirmed case of COVID-19 or has been asked to self isolate for 14 days
- Has travelled outside of Canada in the past 14 days

Children experiencing any form of illness will be isolated and parents will be asked to immediately pick up. We must be extra vigilant for the foreseeable future to protect all families and our childcare staff. Please don't be offended.

All children who enter the centre are asked to wash their hands before proceeding to play. Frequent hand washing and social distancing is promoted. Coughs and sneezes are monitored and the area and toys are immediately sanitized.
